

10 Days. 10 Projects. Be Counted.

## 10-Fold Unfolded – A Participant’s Guide

### 10 projects. 10 days. *10-Fold Unfolded*

From October 10th through 19th you will be able to learn about mission projects of the General Board of Global Ministries around the world supported through The Advance, the designated giving arm of The United Methodist Church, during an online event unlike anything you have experienced before. It’s called 10-Fold. Through live webcasts, streaming video, online chats, and other media at 10-Fold.org, you will see and hear about amazing efforts that are changing people’s lives.

Here is the daily schedule of projects that will be featured at 10-Fold.org:

- ❖ October 10: **Haiti Recovery** – 3,000 humanitarians helping a country rebuild itself
- ❖ October 11: **Children’s Health and Wholeness** – Transforming communities so that children can live healthy and whole lives
- ❖ October 12: **Missionaries in the US** – Dedicated men and women living their faith through remarkable service
- ❖ October 13: **Missionaries Around the World** – Growing a global force for faith and hope in over 60 countries
- ❖ October 14: **Training Church Leaders** – Training the thousands called to devote their lives to Christ and the Church
- ❖ October 15: **Church Planting Worldwide** – From Asia to Latin America, introducing the United Methodists and sharing the gospel through word and deed
- ❖ October 16: **Justice for Our Neighbors** – Church-based teams helping refugee-seekers and immigrants navigate their way as they start their lives in the United States
- ❖ October 17: **Clean Water and Sanitation** – Helping families in Africa and South America gain access to safe water and sanitation facilities
- ❖ October 18: **Healthcare in Africa** – Combating disease in 22 hospitals and clinics across Africa
- ❖ October 19: **Sustainable Agriculture** – Training farmers so rural families and communities can thrive

Because of the unpredictability of planning a global event online, this is a preliminary schedule and is subject to change.

## 10-Fold Live Events Online

To give you a real feel for these projects, you will be able to participate in events that are happening live around the world and hear from the people who are directly involved, on the ground. You can:

- ❖ See missionaries about to be commissioned into the field. You’ll hear them talk about their call to ministry, hopes, and prayer requests.
- ❖ Enjoy a cooking demonstration with sustainable farm-grown ingredients, designed to educate (and perhaps inspire the chef in all of us).
- ❖ Chat with a Vietnamese woman starting United Methodist congregations there, talk to a doctor in a UM hospital in Africa, and hear from a missionary from Ghana telling his personal stories — all via live Webcam.

And you will also be able to participate:

- ❖ **Haiti Toolkit Day** will be a live webcast that will take you to four youth groups around the country as they assemble school kits that will be sent to Haiti to aid in the recovery process. An expert will be there to answer questions; discuss the need, use, and distribution of kits; and provide instructions on how you can assemble kits and send them to the relief effort.
